

STEINKLOTZ  
ALSACE GRAND CRU  
HELFRICH  
Riesling

**Appellation:** A.O.C. Alsace Grand Cru

**Varieties in Blend:** 100% Riesling

**Grape Growing:** Steinklotz is one of only 51 vineyards in Alsace that has the Grand Cru designation. It's located at the Northern end of the Alsatian wine trail. The vineyard itself faces South / Southeast and is very steep with an altitude of between 600-1,000 feet. The soil is comprised of barely 8" of loam covering a hard calcareous bedrock. Dry farmed (it's the law in Alsace) and hand-picked in October through November, the vines are trained upwards for maximum exposure to the sun. Steinklotz is one of the oldest vineyards recorded in Alsace and was reported to belong to the Merovingian King Childebert II in 589 AD.

**Winemaking:** Gently harvested by hand, the grapes are destemmed and put through a whole grape membrane pressing. This is followed by a cool fermentation in stainless steel tanks, a cold settling, and then racking on fine lees.

**Winemaker Comments:** With a gold body, this wine is racy and well-structured. Aromas of peach, white flowers and citrus meld together with a hint of minerality and a touch of petrol.

HELFRICH.
