

34° CABERNET SAUVIGNON

Carelli

Argentina
Mendoza Valley

Region: Rivadavia, Mendoza
Grape Variety: 100% Cabernet Sauvignon
Wine Type: red wine
Alcohol: 13.5%

Our Cabernet Sauvignon is produced with hand-selected grapes from our own vineyards in Rivadavia, Mendoza. This area, one of our most Southern vineyard sites, is cool and dry and provides a beautiful balance of fruit and acidity. The growing region stretches all the way south to latitude 34 degrees, hence our name, “Carelli 34.” This outstanding growing climate, along with Carelli’s traditional winemaking practices and use of the very latest technology, combine to create wonderfully drinkable wines that fully express their terroir.
