

34° MALBEC

Carelli

Argentina
Mendoza Valley

Region: Rivadavia, Mendoza
Grape Variety: 100% Malbec
Wine Type: red wine
Alcohol: 13.5%

Malbec is clearly a specialty of the Carelli family, as witnessed by so many international awards over time, both past and present. Our 34 Malbec is produced from hand-selected grapes, from both old and younger vines in the cool, dry region of Rivadavia. Stainless steel tanks preserve their freshness and bright acidity. This Malbec offers hints of black pepper, dark cherry and a long, soft finish.
